SUMMARY

Passionate and self-motivated MERN Stack Developer with hands-on experience in building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Proficient in developing responsive UI with React and Tailwind CSS, creating RESTful APIs, and integrating frontend-backend systems. Strong foundation in JavaScript, problem-solving, and Git-based version control. Eager to contribute to real-world projects, collaborate in agile teams, and continuously grow as a full-stack engineer.

CODING SKILLS

HTML
CSS
